**Re: LightSquared Subsidiary, LLC
Ex Parte Communication. IB Docket No. 11-109
IBSF File No. SAT-MOD-20101118-00239**

Dear Secretary Dortch,

As a user of high-precision GPS, I oppose LightSquared's request (which ignores the recent independent test results) to affirm its license and its request to go forward with its plan, until it is shown that their plan will not interfere with high-precision GPS.
